## QUESTIONS AND ANSWERS

**Q What happens if the new MC is an Illinois or New York Consultant and enrolls 4 Texas customers plus 2 website points within their first 28 days?**

**A** The new MC would earn a triple Jump Start 1 Bonus and the Sponsoring Consultant would earn triple Leadership Bonuses.

**Q If the new MC enrolls 3 New York customers who each have natural gas and electric service, will those 6 customer points trigger the double Jump Start 1, Team Builder and CLB bonuses?**

**A** Customers who use both our natural gas and electricity service in New York are known as bundles. A customer is essentially one household. A customer (or household, regardless of bundle status) is considered one point for the purposes of Jump Start bonuses. These 6 customer points will not trigger the double Jump Start 1, Team Builder and CLB Bonuses.

**Q What happens if the new MC enrolls 3 Texas customers, 1 Illinois or New York customer plus 2 website points within their first 28 days?**

**A** The new MC would earn a double Jump Start 1 Bonus and the Sponsoring Consultant would earn double Leadership Bonuses.

**Q What happens if the new MC gets their 6th customer point on their 29th day in the business? Would I still get a bonus?**

**A** Yes, you will earn the standard Team Builder Bonus of \$100 if the MC has enrolled four customer points in 28 days. You will not earn a Winter Cash Dash bonus.

**Q When will the bonuses be paid?**

**A** All activity completed by Friday, February 26, 2010, at midnight, Central Time, will be paid on the following Friday, as long as all promotion requirements have been fully met.
