

Five Ways to Get Paid

1. Jump Start Bonuses

Ambit Energy wants customer-gatherers. You can earn up to \$400 for customers you gather in your first 12 weeks. You can be one customer. Your Ambit website can substitute for two more. To help you get started, pending customers (those enrolled but not yet switched to Ambit) count, too.

Customers	Amount
+4 in 4 weeks	\$100
+6 in 8 weeks	\$100
+5 in 8 weeks	\$50
+5 in 12 weeks	\$50
+5 in 12 weeks	\$50
+5 in 12 weeks	\$50
Total 30	\$400

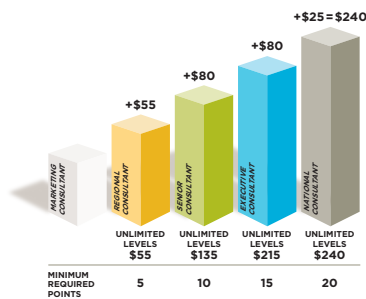

2. Team Builder Bonuses

You are rewarded for sponsoring new customer gatherers. Ambit Energy will pay you \$100 every time you sponsor a new Marketing Consultant (MC) into your team and help that MC enroll four customers in their first four weeks.

You	
Qualification	Amount
Sponsor new MC with 4 customers in their first 4 weeks	\$100

3. Consultant Leadership Bonuses

Anyone can be a leader. It's based on how hard you work and how much you help others succeed. Each time you qualify for a new leadership level, the rewards get bigger. Consultant Leadership Bonuses are paid to unlimited levels in your leadership organization and reach up to \$240 for every new MC that enrolls four customers in their first four weeks.

Note: This bonus structure is applicable to Consultants in all Ambit Energy markets.

4. Customer Residual Income

Ambit Energy will pay you for every active customer in your organization through six levels. The more energy your customers use the more you'll get paid. Over time, the results can be substantial. For instance, if you build a team of Consultants who each enroll ten customers through six levels, the monthly residual income is fantastic!

This chart is based on band 1 usage, which is our lowest commissionable payout. Larger users pay larger commissions.

Levels	MCs	Customers	Total CRI
You	-	20	\$10
1	3	30	\$7
2	9	90	\$45
3	27	270	\$202

6	729	7,290	\$21,870
Total	1,092	10,940	\$30,234

5. Customer Residual Bonuses

As new Consultants join your leadership organization you'll also receive monthly residual bonuses on their customers through unlimited levels. Texas Customer Residual Bonuses range from \$0.25 to \$2.00 and are paid on every active customer each and every month.
